Europa
Roller Garage Doors

STYLE & SIMPLICITY ROLLED INTO ONE

EFFORTLESS TECHNOLOGY

Using a Europa roller garage door is always easy and effortless.

THE IDEAL INSULATED ROLLER GARAGE DOOR!

Europa has been designed to be the ideal garage door.

Remote control puts you effortlessly in control and is integral to every door.

Europa Technology means:

- Operating your door is safe, reliable and remote controlled as standard.
- Operating your door is simplicity itself!
- How you operate your door can be tailored to suit your lifestyle and operate other linked products such as lighting - see our smart home section on pages 25-27.

Every door is made to order and CE marked, confirming it is tested as safe to all current legislation. Each door is backed by fair warranties for peace-of-mind (for details see back page).

Europa - Effortless technology, safe reliable and exceptionally good looking too...

Remote control as standard, with two handy keyfob transmitters, it's easy to add smart phone control with Europa's smart home options

YOUR GARAGE - PART OF YOUR HOME AGAIN!

Replacing a traditional garage door with a Europa Insulated Roller Garage Door will make such a difference to how you think about using your garage space.
